

Hot Damn!

You know a Souperhero!

How cool is that!

*Secret identities are all part of being a
superhero but we know you're trustworthy
and would never disclose this top secret
information...*

Your soup was made by

(aka Souperhero Extraordinaire!)

*(No need to worry though. They didn't
get bitten by a radioactive spider.*

*They just acquired the kind of
SuperPower that is about...
well, being kind!)*

Yummy!!!
